## Growing Instructions:

Nostalgic and romantic perennial, with a delightful mixture of solid and bi-coloured large flowers.

Sow indoors on a warm kitchen windowsill February to June, 0.5cm deep in a seed tray.

Transplant to bigger pots once large enough to handle.

Once risk of frost has passed acclimatise to outdoor conditions. Planting out June-October, 30cm apart.

Can direct sow April - June.

Flowering May-July the following year.

**Perfect for flower beds, borders and as cut flowers.**
