Pollinator Friendly

## Growing Instructions:

A sweet scented, annual in a mix of colours; pink, red, white and wine. A cut and come again variety.

Can be sown indoors March-April or sown directly May- June.

Surface sow seeds onto moist seed compost, covering with a fine layer of vermiculite.

Grow in a warm, sunny spot. Transplant seedlings when large enough to handle and acclimatise to outdoor conditions before planting out May-July.

Flowering June-October.

**Popular bedding plant or great as cut flowers.**

100-150cm Height

10-50cm Height

Full Sun
