PLANT OUT					■	■						
FLOWERS						■	■	■	■	■		

Growing Instructions:

A perennial with an airy appearance, creating height and interest with its lilac blooms.

Sow seeds into prepared seed compost, February to April, cover with a layer of compost.

Place into a heated propagator.

When large enough to handle transplant, acclimatising before planting out once risk of frost has passed. Spaced approx 60cm apart.

Flowering June-October.

Perfect for borders, flower beds and landscaping.
